Drilling For Water ... Caring For Life

Prayer diary-December 2018 - January 2019

‘LORD, please pay attention to my prayer. Listen to the prayers of all of us. We take delight in bringing honour to your name. Give me success today.’ Nehemiah 1: 11

Whilst the operations described overleaf all sound very matter-of-fact and quite possible to our Western perceptions – think about the recent landing on Mars - we recognise, without prejudice, that in the culture of North West Kenya, this has actually all been somewhat of a series of GOD’s wonderful miracles!! Amen!! Thank you for your prayers for the team over the past few weeks. We trust that this update will assist you in understanding how your prayers have been graciously answered by Almighty GOD.

Les has spoken of this visit as being ‘a new beginning’ – an expression of GOD’s wonderful grace and timing, faithfulness and pleasure in His own work. In Isaiah 43: 19- 22 – check it out - GOD speaks of a new beginning for His people, with significant words of promise for Nehemiah Construction Ministries U.K. Jesus preceded His call to the first disciples with the statement “The Kingdom of Heaven has come near” – and it was certainly a start of a new life to them. So the following weekly prayers for Nehemiah Construction Ministries U.K. are permeated by this huge and dynamic sense of gratitude for what we have received and for what the LORD will give for us in His service. Thank you for joining us in this way.

Sunday:

“LORD JESUS, we thank you so much for answering our prayers for the Nehemiah Construction Ministries U.K. team and especially for your care of them and direction to them this past couple of months. Please keep them close to yourself and fill each of them continually with your creative strength and wisdom in their calling to serve you through Nehemiah Construction Ministries U.K. How powerful is your passion for us.”

Monday:

“Thank you, LORD, for all You have enabled Les to do in the 6 weeks he has been in Kenya. Thank you for those whom he has met who have provided support, information, knowledge and skills to encourage him and the team in Kenya - for David, Rick, Zeddys, Wahungu, Jacob and Leo. Please mould them together in your Spirit, into a godly, gracious and strong team which will become a winsome witness to your mercy and power in and among their families.”

Drilling For Water ... Caring For Life

Prayer diary - December 2018 - January 2019

Tuesday:

“Dear LORD, you are our security in all things; we rely on your word. We are so grateful for your awareness of and care for all our needs at home and in Kenya. We thank you for every provision we are receiving. Please continue to stand with us in every situation - guard us and lead us in the right way in our thoughts, conversations, action and reactions – for your glory.”

Wednesday:

“ALMIGHTY GOD, we thank you for the unending vastness of your love, directed to each person this planet. We thank you for Kenya and its people and your love for them. We pray for those in Pokot and Turkana who acknowledge and live out their lives for you as their Saviour and LORD. Please encourage and strengthen them in their Christian witness to their families and friends, their neighbours and their communities – for your honour and glory.”

Thursday:

“Thank you, Heavenly Father, that we can bring all our concerns to you in prayer. You are our Rock. Please look after Les and the team as he prepares to revisit Kenya in January, guide him in all his preparations, his relationships at home and abroad; fulfil his desire to drill so many wells, with the wisdom and all the resources required. Thank you, LORD.”

Friday:

“We thank you LORD for your kindness and generosity expressed through our people and Spirit’s grace in others’ lives. We praise you for churches which support this work, through the gifts of the young and the old, through grants requested and received, and for the many prayers answered. We bless your Holy Name.”

Saturday:

“Gracious LORD, how we worship and adore you. You are the LORD Almighty, Ruler over all Truly, new every morning is your love, your grace of forgiveness and loving kindness. For us, each new day is like a new beginning of your adventure with us – and our hearts are with you, full of excitement and joyful peace.”
