Drilling For Water ... Caring For Life

Prayer diary-October 2018 - The Team

'LORD, please pay attention to my prayer. Listen to the prayers of all of us. We take delight in bringing honour to your name. Give me success today.' Nehemiah 1: 11

- Sunday "LORD, we pray with great thanks for your boundless grace and energetic love, that Your Kingdom would come, as Christ has obtained for all who put their trust in Him."
- Monday: **John Harrison** – looks after the spiritual and practical development of the team, its supporters and its Mission: to bring both pure water to needy people in North West Kenya & the water of life, Jesus, to all.
- Tuesday: **Les Saunders** – the operations director currently in Kenya, repairing the drilling rigs & equipment, meeting local government officials, planning with Rick Strickland a local Christian church planter, forming a new drilling team & all other preparations for future work in the Pokot area.
- Wednesday: **Brian Mahan** – oversight of the communications of the team, through the updating of the website, printing of literature & the security of data.
- Thursday: **Will Symons** – looks over the finance, charity & legal aspects of the charity and its Peterborough base of Christian support.
- Friday: **Richard Morrison** – helps out with general administration matters & communications with individual & church supporters.
- Saturday: **New Trustees** – to assist with development of our base of prayer support; to accompany Les on his next trip to Kenya, especially to help develop relationships with local evangelistic efforts & to take photos & 'good news'.
